SkyWest's Mini Indy, hosted by the City of St. George and Dixie State College, brings local, national and international businesses together for a three-day charity event of fun and fundraising. More than 30 teams, each traveling an average of 1,400 miles to participate, raced Indy-style go-carts at Dixie State College Saturday. This year marked a decade of charity for Mini Indy, and the first-ever race in a hail storm.

Teams turned up the heat with slow cooked culinary creations competing for best barbeque. From sirloin tip to salmon chowder, teams served savory dishes in an effort to win the coveted taster's choice award. Entrada brought home the silver platter, winning with their black bean soup, smoked chile crema and three relishes, served with mini fry bread tacos. Aviall took home the bacon for People's Choice award.

Mini Indy, sponsored by SkyWest Airlines, Dixie State College and the City of St. George, is the largest event benefiting United Way Dixie. Mini Indy has generated more than half a million dollars for charity in its ten-year history. Visit www.miniindy.org for more information about Mini Indy
