SkyWest's 2011 Mini Indy benefitting United Way Dixie and SkyWest's Scholarship Fund is approaching fast!

This will mark 11 years of SkyWest's Mini Indy, helping raise over \$650,000 through contributions from our supporters!

SkyWest Airlines' Mini Indy Charity Event will be held March 23- 25, 2011.

2011 Mini Indy FAQ's

Hey Mo! We heard all teams needed to replace the rims on the cars with wider ones for 2011. Is this correct? No. This was discussed to eliminate the use of a clamp fixture to change a tire or tube; but we haven't been able to purchase the wider rims. We'll stay with the current rim!

What's the deal with teams adding weight to the front of the cars? Some teams found adding weight to the front of the car helped steering the car and prevented skidding of the front tires. If you do this, limit the weight to 15-20 pounds.

Are spare bodies still available for sale? Yes, we have spare bodies in primer color only. The price for the body and wing is \$475.00 plus crate and shipping.

Golf Slots: Now is the time to reserve your spot! Golf slots fill up by mid-January. We are playing at the Sunbrook Golf Course using 27 holes. Don't wait till it's too late!

Garage Dinner: We are changing up from a Banquet to a more casual dinner for Thursday night. It will be held at the City hanger on the north end of what will become the old St. George Airport.

Co-Sponsored Teams: Several companies have asked about joining up with another as a team. If you are interested, please email Joe Sigg or use the Forum section of the Mini Indy website ASAP.

Paying with a Check? Whoops! The "Pay with a Check or PO" registration form is hard to find on the website. Get there by clicking on the word "Register" on the front page, right column. It is about a third of the way down the page as a PDF. You can also find the Tax Exempt letter from United Way Dixie at the bottom of the same page.

Don't miss 2011 Mini Indy!!!
